

why Christianity?
repairing the world
sense and nonsense
passion and compassion
setting things right
being Jewish or Jain or ...
testing beliefs
humanity and inhumanity
looking out and looking in
God talk
words and the wordless
credibility not credulity
religion and culture
belief and action
conscience
making moral sense
global ethics
being and knowing

the heart of RE

the known and the unknown
conviction or prejudice?
world religions and worldviews

stretching the limits
life endings

reason and imagination
challenge and change
the seen and the unseen

science and religion
